Recruitment in a public funded institute (IIT) is essentially a public activity. Therefore, information regarding the faculty recruitment (i.e. list of applicants, application number of applicants, status of application etc.) cannot be termed as third party or private information. To uphold the spirit of RTI Act, the requested information pertaining to faculty recruitment should be disclosed proactively.

Blatant misuse of section 8(1)(j) of RTI Act, is noticed here to decline requested information. To qualify for this exemption, it must be personal information. The adjective personal is an attribute which applies to an individual and not to an institution. Therefore, it suggests that personal cannot be related to IIT. Moreover, the requested information is pertaining to the faculty recruitment, a public activity of the institution. Hence, Section 8(1)(j) of RTI Act cannot be invoked here.

The appellant is dismayed by the mechanical way of declining information by citing exemptions. The CPIO deliberately declined information in willful disregard for the RTI Act and circular / OMs of DoPT. It is pertinent to mention here that Hon'ble Madras High Court in a recent judgement (W.P.No.17677 of 2010) dated 07.09.2020 observed:-

Now-a-days, the Officials are used to adopt a tactic answer in mechanical manner that the information sought for is exempted ..... without actually ascertaining as to whether the information sought falls within the ambit of the said provision. Such Officers must be taught a lesson and in my view, they are unfit to hold the post of Public Information Officer or any other post in connection with the discharge of duties under RTI Act and they should be shown the doors, so that it will be a lesson for other Officers to act in accordance with the terms of the Act, failing which they may also face the similar or more consequences.

Hence, this appeal is presented before you for disclosure of the requested information forthwith.

Sir,

The appellant is constrained to prefer this appeal against the denial of information by CPIO citing Section 8(1)(j) of the RTI Act 2005.

Recruitment in a public funded institute (IIT) is essentially a public activity. Therefore, information regarding the faculty recruitment (i.e. list of applicants, application number of applicants, status of application etc.) cannot be termed as third party or private information. To uphold the spirit of RTI Act, the requested information pertaining to faculty recruitment should be disclosed proactively.

Blatant misuse of section 8(1)(j) of RTI Act, is noticed here to decline requested information. To qualify for this exemption, it must be personal information. The adjective personal is an attribute which applies to an individual and not to an institution. Therefore, it suggests that personal cannot be related to IIT. Moreover, the requested information is pertaining to the faculty recruitment, a public activity of the institution. Hence, Section 8(1)(j) of RTI Act cannot be invoked here.

The appellant is dismayed by the mechanical way of declining information by citing exemptions. The CPIO deliberately declined information in willful disregard for the RTI Act and circular / OMs of DoPT. It is pertinent to mention here that Hon'ble Madras High Court in a recent judgement (W.P.No.17677 of 2010) dated 07.09.2020 observed:-  
Now-a-days, the Officials are used to adopt a tactic answer in mechanical manner that the information sought for is exempted ..... without actually ascertaining as to whether the information sought falls within the ambit of the said provision. Such Officers must be taught a lesson and in my view, they are unfit to hold the post of Public Information Officer or any other post in connection with the discharge of duties under RTI Act and they should be shown the doors, so that it will be a lesson for other Officers to act in accordance with the terms of the Act, failing which they may also face the similar or more consequences.

Hence, this appeal is presented before you for disclosure of the requested information forthwith.

**Reply of Appeal  
(अपील का उत्तर)**

I find no mention in your application, seeking information of the names, present affiliation, and designation of the applicants, about how disclosing the aforesaid information would serve any larger public interest. The total number of applicants who applied for the post has already been provided. Any additional information regarding the applicants in terms of their names, designation, and present affiliation are personal information of the candidates and such declaration would involve unwarranted invasion of privacy and hence I agree with the contention of the CPIO to deny such information under Section 8 (1) (j) of the RTI Act.

Reply given by the CPIO regarding non-disclosure of the names, designation, and present affiliation of the applicants is upheld. The CPIO has been directed to provide details pertaining to the application numbers and the date of application of these 76 applicants and the details of the shortlisted/selected candidates.

Appeal No IITPD/A/E/21/00003 dated 26 Apr 2021 is thus disposed of.

I am not satisfied with the response.

Total revenues of Music Industry for 2020 were USD 21.6 Billion. It is a time to seriously consider my suggestion/proposal by at least starting a Institute Elective Course on Music Engineering and then in longer-term a full B.Tech and M.Tech program.

Also, by establishing a Music Engineering Laboratory, a practical lab course would be best to start.

I have attached Music Engineering Curriculum Guide from University of Rochester for reference.

I am hoping to get a positive response like one of the other IITs.

Thank you very much for your kind consideration,

Thank you for your suggestion. As you might know, we are still in the initial stages of our establishment and the construction of our permanent campus is in progress. In the coming years, we would surely add more streams of engineering at the undergraduate and postgraduate levels.

Sir,  
This appeal is preferred u/s 19(1) of RTI Act 2005 aggrieved with the reply of CPIO.

In response to Query 1, no information has been provided about the number of positions in the reservation categories (SC, ST, OBC, EWS etc). Hence, information sought should be disclosed at earliest.

In response to Query 4, specific information regarding faculty recruitment in your Institute is declined. Recruitment process in a public funded institute can not be personal. Hence, the information sought should be disclosed at earliest.

**Reply of Appeal**  
(अपील का उत्तर)

Reply to Query 1 : Vacancies for the reserved categories are as per GoI directives, which is 15%, 7.5%, 27%, and 10% of the positions for SC, ST, OBC and EWS respectively. Any eligible candidate, if found suitable will be selected to fill up the vacant positions including those from the reserved category. The total number of faculty positions is calculated based on the number of students in the institute as a student to faculty ratio of 10:1. However, IIT Palakkad is in its formative stages and the number of students in the institute is increasing.

Reply to Query 4: The details cannot be shared as the information is with the public authority under the relation of fiduciary relationship under Section 8 (1) (e) of the RTI Act, 2005.

**Reply of Appeal  
(अपील का उत्तर)**

Query 1. Whether the institution has prepared such reservation rosters in each teaching cadre?

Reply: The faculty strength at the institute is based on its student strength. Since IIT Palakkad is in the initial phase and the student strength is increasing every year, the sanctioned strength for each post is therefore not fixed. Hence, the reservation roster for faculty members is still under finalization.

Query 2. If yes, provide certified updated copies of the same. Mention the date on which it was adopted by your institution.

Reply: Refer to the reply to Query (1) above.

Query 3. Whether the institution is preparing such reservation rosters in each teaching cadre? What is the tentative date for finalizing the rosters?

Reply: Yes, the institute is preparing reservation rosters in the teaching cadre. Efforts are being made to finalize the rosters at the earliest.

Query 4. If yes, provide copies of the guidelines being used to prepare the rosters

Reply: The rosters are being prepared as per the reservation norms of Govt. of India and as per the Central Educational Institutions (Reservations in Teachers' Cadre) Act, 2019.

Query 5. If no, what are the reasons for not preparing the rosters as per the CEI Act-2019?

Reply: Not Applicable.

Query 6. Whether these reasons were communicated to the Ministry of Education by your institution?

Reply: Not Applicable.

Query 7. If yes, provide copies of the institute communication to the Ministry about the same, and responses, if any, to it from the Ministry.

Reply: Not Applicable.

Query 8. If no, provide reasons for not registering your inabilities with implementing the CEI Act-2019 to the Government.

Reply: Not Applicable.
