No.: IITPKD/R/NF/01/2025. Respected Sir/Madam, I am aggrieved by the reply received from the CPIO, whereby the following information sought by me was denied: 1) Marks secured by all candidates shortlisted for Level II test. Ground for appeal:The CPIO has denied the marks citing Sections 8(1)(e) and 8(1)(j) of the RTI Act. However, the Honble Supreme Court in CBSE vs Aditya Bandopadhyay (Civil Appeal No. 6454/2011) and various CIC decisions (e.g., R.K. Jain vs DOPT, CIC/SM/A/2013/000338) have held that marks obtained in a public recruitment examination, once the selection process is complete, are not exempt from disclosure.Further, Section 8(2) of the RTI Act states that information which cannot be denied to Parliament shall not be denied to a citizen. Disclosure of marks is in larger public interest to ensure transparency, prevent malpractice, and build public confidence in the recruitment process. Request:Kindly provide the marks secured by all candidates shortlisted for Level II test for the above recruitment. 2)Question paper and answer key;Ground for appeal:The CPIO has denied this stating that disclosure may compromise the integrity of the question bank. However:The recruitment process for the post is already completed.Multiple public recruitment agencies like SSC, UPSC, RRB, and IBPS routinely publish question papers and answer keys after the examination.The CIC has in several decisions (e.g., Kumar Shanu vs CBSE, CIC/SA/A/2016/001239) held that question papers and answer keys should be disclosed postexam in the interest of transparency</p>

*In the earlier RTI reply, the information on the number of admitted scholars was provided (category wise); however, the fellowship-wise break-up was not included because the response was limited to the overall admission figures as interpreted from the query. For greater clarity and completeness, the fellowship-wise details are now being provided in this reply. It is also clarified that, for the Ph.D. (HSS) programme during the period referred, scholars were availing only Institute HTRA and UGC-JRF fellowships. No other fellowships or external funding categories existed for those admission cycles.
